Since 2013, Blaqcat Ultra Hookah Lounge has been providing the best hookah smoking experience in Las Vegas. We offer a relaxing smoking environment with chill music for individuals and large groups looking for a superior smoking session.

Come in and enjoy the traditional middle eastern hookah lounge experience by pairing your hookah choice with a selection from our variety of organic, flower teas that come table-side in a personal tea kettle, with fresh mint leaves and honey on the side.

We are the only hookah lounge in Las Vegas that offers custom fruit bowls, made with real fresh fruit, bought daily.

From the moment you enter our doors to the moment you leave, you will get some of the most attentive and friendly service that will have you coming back again and again. If you happen to have a problem during your visit, we will see to it immediately to make sure your smoking session is never interrupted.
